

LOS ANGELES INDEPENDENT SCHOOLS

March 2022

Dear Applicant Families,

As independent schools, we are varied in our educational philosophies and programs but united in our commitment to ethical practices in our admission offices. The Heads of the undersigned Los Angeles schools have agreed to the following principles of good practice for K – 12 admissions:

In order to minimize timing dilemmas for applicant families, we have agreed to the below common notification and reply date for fall 2022 admission:

Grades K-12: Notification letters will be sent on Friday, March 11, 2022

Email notifications can be sent starting at 5PM on Friday, March 11, 2022

Replies are due on Friday, March 18, 2022, by 12:00PM

- Once notifications have been sent, schools will not initiate visits, whether for individuals or groups (e.g., through open houses).
- We are mindful of the disruption to students' education in their current schools that additional visits to prospective schools can cause, so we do not encourage such visits. However, schools that receive requests from newly admitted students and/or parents may grant those requests at their discretion.
- No applicant or applicant family will be contacted by *any* representative of the school – once admissions notification begins. Of course, admitted students and their parents are welcome to contact schools to have questions answered.

We share an interest in making the independent school application experience as informative and enjoyable as possible. And we are joined in our conviction that the independent school world can offer unique and rich educational opportunities for young people.

Sincerely,
